

Module 6 Self-Audit Worksheet

Review three anonymised consultations or sessions. One improvement per case.

Review prompt	Case 1	Case 2	Case 3
Asked ideas, concerns and expectations?			
Summarised and checked understanding?			
Agreed a plan the person chose?			
Safety-net or referral trigger named?			
One improvement for next time			

Practice task: prepare a 500-word reflection or five-minute peer consultation role-play and self-assess against the five learning outcomes. Assessor submission arrangements are pending. Do not use identifiable clinical recordings.
